

Brownie Pocket Challenges UMA with Lend a Hand UMA - VISIT

This visit to the ARC supports two Brownie UMAs

Dressing Up time

Supports Pocket Challenges UMA card activity 1

Have fun dressing up in Brownie uniforms from before 2000. How are they different to today's uniform? Which do you like best?

Talk about the items Brownies used to have in their pockets using objects from the archives:

- Safety pin case
- Pre-decimal coins or 'old money'
- Cloth handkerchief

Then do the Pocket Challenges UMA card activities...

Good Turn Detectives

Supports Lend A Hand UMA card activities

Investigate original items from the archives to find out how Norfolk's Brownies and Guides did 'good turns' for the Queen's 1953 Coronation and to help with the war effort. Have a go at helping in the same way as Brownies from long ago with our egg and messenger games...

WW1 Egg Collection Game

Supports Lend A Hand UMA card activities

Can you 'do your bit' by finding the hidden hens' eggs?

WW2 Messenger Game

Supports Lend A Hand UMA card activities

Can you remember an important message under pressure?

A Week of Lending a Hand

Supports Lend A Hand UMA card activities

Draw carefully around your hand. Each finger represents a day from Monday to Friday. Think of one good turn for each day and write or draw it on the paper fingers. Try and do one of your good turns every day next week!

During visits to the ARC, ARC staff will deliver the activities on the UMA card plus these additional, supporting activities, developed by the ARC.

Brownies will get hands-on experience of original items from Brownie history!
